

A Natural Queen

Music: MaxB Lyrics: Rikki Ansell

- Chorus - intro -

Mmmm-intro – instead of the chorus-lyrics:

- Verse 1:

Like a lily burst forth at my feet
grace and elegance still and sweet
You're a natural queen
nothing more nothing less
you are what you are

- Verse 2:

Could Nefertiti match this grace
Could Cleopatra outshine this face?
Helen of Troy would not compare
to the lotus perfection in your stare.

- Chorus:

you are a natural queen
what a gorgeous scene
yes you are what you are
nothing more nothing less
And I do confess
That I just love the way you are

- Verse 3:

Buddha entranced would extoll
the beautiful balance of your soul
You fill my morning with inner light
Natural Queen silver and bright

- Verse 4:

like a lily burst forth at my feet
grace and elegance still and sweet
You're a natural queen
you are what you are
