

MaxB – Go High Go Low music and lyrics MaxB 20150908

E
It's you – I'm thinking of
It's you, you, you – I'm thinking of
E
I say hey – you say hoo
I_wanna_follow_you – when you go to the show
E
I go high, you go low – I go, wherever you may go
I go high, high, high – and you go low

A
But you said, no, no, no – you can't go, go go
E
You shouldn't follow me – when I go to the show
A
You said, no, no, no – you can't go, go go
E
You shouldn't follow me – when I go to the show
H A (tyst)
'n' I say: - Hey hey hey – hey hey hey
E
as long as your papa – don't know he shouldn't know

Slide-solo

E
If you go high (kör: you go high) – I go low (kör: I go low)
It doesn't matter now – if your mama know
E
I go high (kör: I go high) – you go low (kör: you go low)
I keep following you – where ever you go

When you go high, high, high – your papa don't know
And I go high, high, high – still he don't know

A
But you say, no, no, no – you can't go, go, go
E
You shouldn't come – you shouldn't come, you know
H A (tyst)
You say, hey hey hey – hey hey hey
E
– You know my papa! You know...
H A (tyst)
You say, hey hey hey – but no,no,no
E (slut)
That's why you shouldn't go – You know, my papa know
