

I Lied

Music: MaxB Lyrics: Rikki Ansell

- Verse 1A

I lied - when I said I didn't love you
and I lied - when I said you didn't matter

- Verse 1B

And as you walk away - there is nothing more to say
spread your dreams and fly - goodbye love, flyyy hiiigh

- Verse 1C

You'll be forever - on my mind
hope you find - whatever you may seek

- Verse 2A

I lied - cuz it was hard for you to go
So I lied - to set your feet upon that road

- Verse 2B

I'm not the one you need - and you're not the kind to leave
Dreams need room to fly - goodbye, my love, goodbye

- Verse 2C

You'll be forever - in my heaaaaaart
Hope your art, fills your soul - with joooooy

- Soloverse

- Bridge

Don't turn around - to see the tears rain down
I love you and can't bear - to look away
I hope your dreams come true - I'll always root for you
My love won't let me stand - in your way

- Utro

I lied, cuz it was hard, for you, to go
so I lied, to set your feet, upon that road
