

**In the dark of the night** Music: Elvshand Lyrics: Rikki Ansell

Am C D E In the dark of the night when the moon goes down  
Am C D E Don't - answer the door  
Am C D E In the Deep of the swamp where the Gators prowl (uttal: praovl)  
Am C D E There are things - to abhor

Am C D E Mellanspel ||: Am C D E :||

Am C G D Liss was had - by Asmodeus  
Am C G D To force her - to be his wife  
Am C G D But she cut out the demon - heart of him  
Am C G With a fillet knife

Am C G D Then she threw herself - and the seed she bore  
Am C G D In the White Lake wetlands - thus\_she\_cried\_no\_more  
Am C G D But the demon spawn there - did thrive  
Am C G And it rose in a fortnight - full\_grown\_and\_alive

Am C G D When the moon goes down - And the good folks sleep  
Am C G D With Nary a sound - to your door - she will creep  
Am C G D And with the sultry voice of her long-dead mother  
Am C G Draw Minion man from his bed and his cover

Am C G D With the siren song - of a made in duress  
Am C G D Awakens the white knight in a good man's breast  
Am C G D And draws him out like a fish on a line  
Am C G Then eats everything but his ribs and his spine

Am C D E In the dark of the night - when the moon goes down  
Am C D E That's when the White Lake Heller comes around  
Am C D E Many a man gets up and dies  
Am C D E Because he didn't ignore the Heller's cries

Am C D E In the dark of the night - when the moon goes down  
Am C D E Don't answer the door

Am C D E In the Deep of the swamp - where the Gators prowl  
Am C D E There are things to abhor
