- Speaker:

Goodmorning - it's time to wake up - You can't stay in bed all day - Hurry up
You mustn't be late for work - You're working on a tugboat - Here is the song now

- Vers 1:

I was living in a city - where I had no friends - and the town was such a rathole - and_a_lot_of traffic-jam.
I grabbed my guitar - heading somewhere else - I found myself - at the riverside - listen:

Boom chaka boom - chaka boom boom boom - what's that sound?
Boom chaka boom - chaka boom boom boom

- Vers 2:

There I saw a little beauty - a tugboatqueen - lying_beside the_bigger_boats - I_think_you know what I mean
I fell in love with her - I knew she had to be mine - With a real machine - she is the_woman of my life

Boom chaka boom - chaka boom boom boom - I heard - Boom chaka boom - chaka boom boom boom

- Vers 3:

Now I'm living on a tugboat - and I'm never alone - I have a lot to do - and people come here to
You should come and see me - I would like you to do - We're gonna have a good time - just me and you - We go

Boom chaka boom - chaka boom boom boom - we go - Boom chaka boom - chaka boom boom boom

- Elvis bror:

Even_if I'm living on a tugboat - I never feel alone - All the people that surrounds me - make me feel at home

Kör Ooh ohh ohhh ohhhh Kör Ooh ohh ohhh ohhhh

- Hawai:

Here I'm sitting on my tugboat - With the moon and the stars above

- Vers 4:

I'm living on a tugboat - and I'm never alone - I_play_guitar all day - and sing all night long
People come and see me - and_they're playing to - We_play all day long - and during the night to - and sing

Boom chaka boom - chaka boom boom boom - Boom chaka boom - chaka boom boom boom

- Speaker:

Boom chaka boom - chaka boom boom boom - Boom chaka boom - chaka boom boom boom - hey
it's time to go to bed now - You can't stay up all nigh, playing guitarr and sing
Boom chaka boom - chaka boom boom boom - You really should go to bed now
Goodnight, go to bed now
