

Sweet Apple Kiss

Music: MaxB Lyrics: Rikki Ansell 2016-02

- **Verse 1** ||: C Am Em - F C-G-C :||

I dreamt, I dreamt the sweetest dream
about an apple on a tree

but when I woke I knew the truth
that apple wasn't meant for me

- **Chorus** | Dm G - C E - F G C Am F G C

I lean on the fence and I long for a taste
of the nectar that flows from your lips
I am parched with a thirst that can only be healed
with the touch of your sweet apple kiss

- **Verse 2** ||: C Am Em - F C-G-C :||

The perfect apple wasn't meant for me
the farmer's near and I don't own that tree
and while I'd like to sneak across that field
I cannot risk the troubles that would yield

- **Chorus** | Dm G C E - F G C Am F G C

I lean on the fence and I...

- **Postchorus** | Am Em - F C G - Am Em - F G C

you're my wine-sap apple - forever out of reach
but I stare out the window - I get drunk upon the dream
you're my wine-sap apple - intoxicating me
you are all I can think of - but you are - not meant for me

- **Bridge** | Dm G - Dm G - Am G F - F G C

Boone's Farm ain't got nothin' on you honey,
but I go to the store - lay down my money.
I pretend that the bottle is your lips on mine
as I drown all those dreams in cheap - apple wine.

- **Chorus** | Dm G - C E - F G C Am - F G F

I lean on the fence and I long for a taste
of the nectar that flows from your lips
And I am parched with a thirst that can only be healed
with the touch of your sweet apple kiss

your (sweet) kiss | Fm - C E - F G C Am - F G C
of the nectar that flows from your lips

And I am parched with a thirst that can only be healed
with the touch of your sweet apple kiss
