

The Harmonica

text och musik: MaxB

Vers 1:

The first time we met - everything felt all right
It was, some kind of vibration - in the air

You showed me a harmonica - the most beautiful I've seen
you told me - it's the best - one can get

Refräng:

It's you that make them - said you like to give one to me
You would make a special for me - that's tuned in C

Vers 2:

It's not the time, I've been waiting - for this moment to arrive.
It's more the way, that you said it - when you told me this
It's not the time that have passed - since you told me that you'll make
the harmonica - the best I've ever played

Refräng:

I showed my gratitude - when you told me all this.
You could see the sparkle - in my eye
But I've been waiting so long - for this harmonica to come along
I continue to play with the old one - that I've got.

Refräng:

You like to keep promises - that's what you said
Now it's time to play - And here it is!

Vers 3:

Munspel genom hela versen

Refräng:

You like to keep promises - that's what you said
Now it's time to play - And here it is!
