

Walk This Road Alone

text och musik: MaxB and Rikki Ansell

- Vers 1 -

Walk, walking down this empty road
I didn't use to walk alone
now I sing a lonely song

- Vers 2 -

You, you're not here to tell me why
and I never realized
that you would leave - without goodbye

- Refräng 1 -

It's too late to bring you flowers
it's too late to make you laugh
it's too late to share forever
it's too late to win you back

- Vers 3 -

You, you have left our happy home
Now I'm walking all alone
why'd you leave me this sad song?

- Refräng 2 -

It's too late to make it better
It's too late to make you smile
now too late - I finally see
it's been too late now for a while

- Vers 4 -

Walk, walking down this empty road
I didn't use to walk alone
now I sing this lonely song

- Vers 5 -

Walk, walking down this empty road
I didn't use to walk alone
Now I walk this empty road
...alone
